Dear The Federal Communications Commission,

Hello, My name is Amanda Paolini and I think the tracfone is the best because I hardly work and I can afford the prices. If you raise the taxes on the phone cards I will have to stop using the tracfone because I will not be able to pay for it. Please consider this when you make the decision, because most of your customers are teens like me. I hope you will keep in mind before you make your decision! thank-you for your time and cooperation.

Sincerely, Amanda Paolini

Sincerely,
